HOW TO GET TO LAKE COMO

from Milan and its airports

BUS **TRAIN** **TAXI** **FERRY**

How to get to Como from Milan

The city of Como is very easy to reach from both the city of Milan and its airports.

Here is how to get to Como:

From **Milan train stations**

From **Milan Milan Malpensa airport**

From **Bergamo (Orio al Serio) airport**

From **Milan Linate airport**

Travel tip

Once you are in Como, you can easily get to the **western towns of the southwestern branch** of the lake (such as Argegno-40', Tremezzina-60', or Menaggio-110') by **C10 bus**.

On the other hand, if you want to reach the **eastern towns** of the same branch (such as Nesso or Bellagio), you will have to take the **C30 bus**.

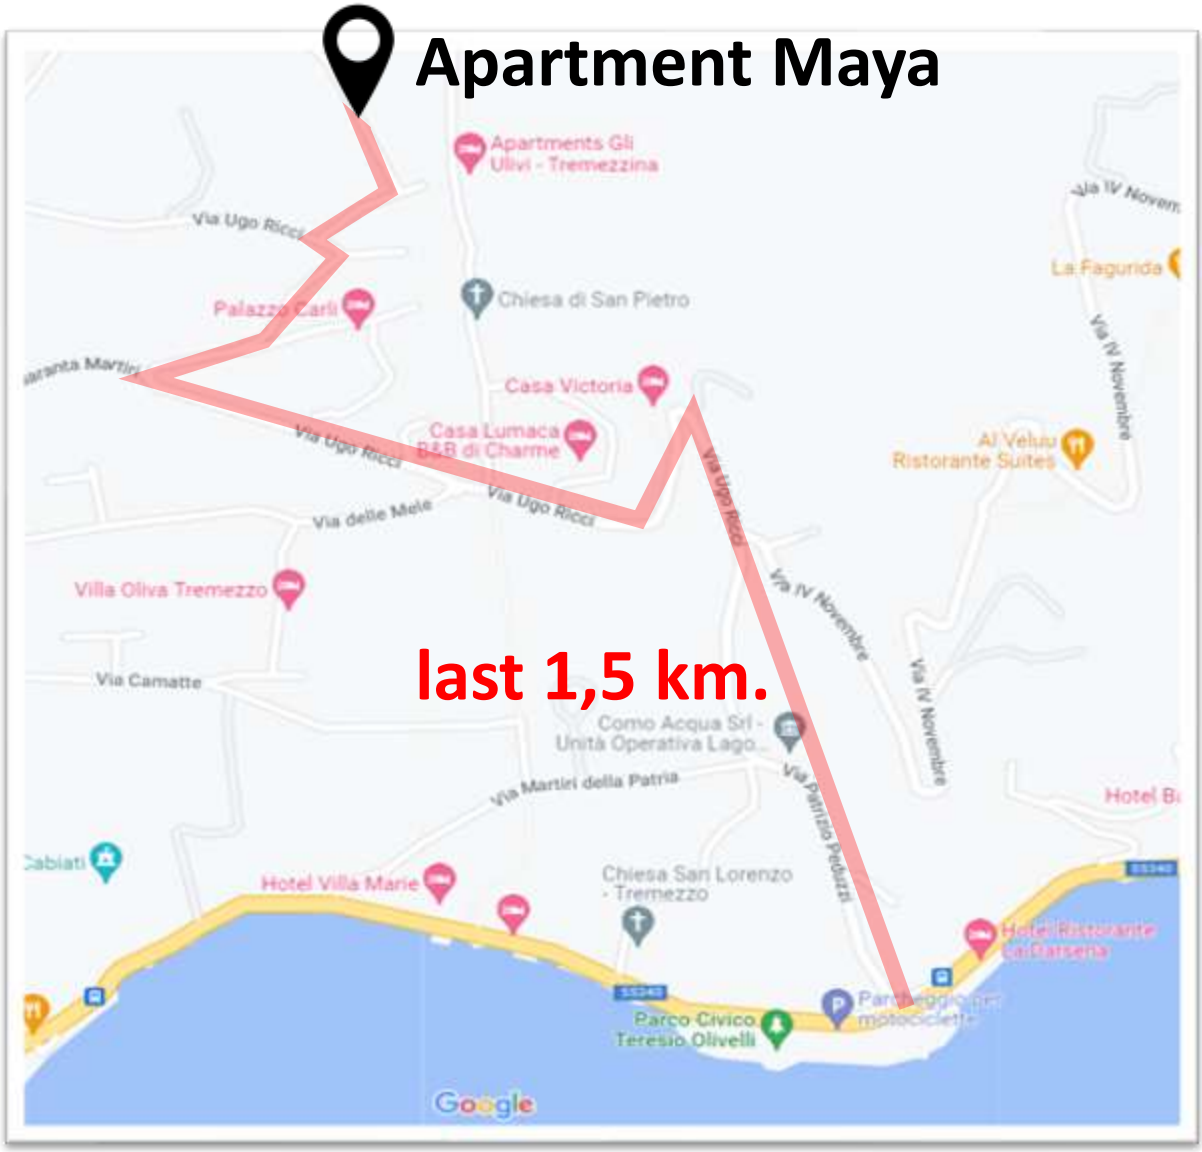

In both cases, you can also make use of the **lake transportation service**.

KEY BOX PROCEDURE ON THE LAST PAGE

Welcome And Enjoy Your Stay!

KEY BOX PROCEDURE

1

Align the correct combination:
•Turn the number dials to set the default code (provided on the first page).

2

Opening the cover:
•Once you have entered the correct combination, press the plastic release lever and pull the cover downward to open the Key Box.

3

If the combination does not work:
•Ensure the numbers are perfectly aligned with the reference mark.
•Verify that you have entered the correct combination. Press the lever with more force.
